

**TO WHOM IT MAY CONCERN**

This letter is in favor of **Mr. Anjum Ali S/o Manzoor, CNIC# 33202-2072026-7** who is known to me as a Lecturer of Software Engineering in the Department of Computing, Riphah International University, Faisalabad, Pakistan. He is an Intelligent, Hardworking and Trustworthy teacher with good sense of responsibilities.

In addition, he possesses a good academic record. He has demonstrated a strong ability for research, consistently producing high quality work that showcases his intelligence and creativity. He is a critical thinker and is always seeking new and innovative ways to approach his research projects. He has a natural aptitude for programming and has consistently excelled in all of their courses, demonstrating a strong understanding of software engineering concepts. He has a particular passion for Machine Learning, Deep Learning with Python and have completed several projects using various libraries and frameworks.

I strongly recommend him for this Ph.D. I wish him the best of luck. I shall be happy to provide any further information in future.

Dr. Arif Ullah

Assistant Professor

Department of Computing

Riphah International University,

Faisalabad-38000 Pakistan
